### **eyeGO TO THE ARTS**

Student Trustee Daniel Hernandez informed the YRPC about the eyeGO to the Arts program. This is a non-profit organization that works with performing arts presenters (like the Markham Theatre) and the media to get the word out to students about live performing arts. With a student card, secondary students may visit participating partners and request available tickets for \$5 (plus a \$3 handling fee). This gives students a convenient opportunity to partake in a program which supports the objective of the Ministry of Education's Art Curriculum.
